Dear Brothers and Sisters,

We congratulate Mayor-Elect Mamdani on his victory in this year's general election.

As always, the New York City and Vicinity District Council of Carpenters stands ready to work with the incoming administration to create more union jobs, ensure safer worksites, and end worker exploitation.

Even though we did not endorse him, the Mayor-Elect pledged to uphold those values as he did in Albany where he fought to advance carpenter priorities as an assemblyman.

Make no mistake: we will never hesitate to hold any elected official accountable if they break their promises or advance policies that threaten the hard-earned wages, benefits, and safety of union carpenters.

For now, let us all strive to work together to build a city where workers, not the bad actors in the development community, come first; a New York City that is safer and more affordable place to call home.

In Solidarity,

Paul Capurso
Executive Secretary-Treasurer
